## TO WHOMSOEVER IT MAY CONCERN

CRISIL Ratings is currently grading the PGP program offered by AIMS Institute of Management. I am glad to share that the process undertaken by CRISIL team is quiet rigorous and in depth. The CRISIL team consisting of experts has spent two days on the campus, to understand the process and verify each and every information which was shared with them. All the explanations about the information given by the institute were clearly understood and accepted by the team. We truly appreciate the efforts taken by team and also exhibiting a high level of professionalism during the entire exercise.

We wish them all the best for the future!
